One game system – every genre – countless worlds – endless adventure

The last few weeks have been a blur. Heck, who am I kidding? The first half of this year has been a blur. So much going on. A lot of it very good and the rest very promising.

[Rifts® Secrets of the Atlanteans](#)™ is done and at the printer. The book went long, so it is 224 pages and is pretty darn awesome. I will have Wayne put up a

[FREE sneak preview](#)

on DriveThruRPG.com today. It is truly everything you have ever wanted to know about Atlanteans and then some. I'm already working on

[Nightbane® Dark Designs](#)

™. The finished manuscript for

Rifts® Living Nowhere™

came in last week and art is already being done for it, so we are on it. Oh, and

Gen Con Indy

is in about 3 weeks! How did that happen? Read on to get all the latest.

UPDATE: Rifts® Secrets of the Atlanteans™ – At the Printer – Ships August 9, 2017

[Rifts® Secrets of the Atlanteans](#)™ is done and at the printer. Probably shipping around August 9th, so get those orders in. Btw, we added 32 pages, because we did not want to cut out any of the awesomeness. Price is still \$24.95 retail. And I got Wayne to put up a [free preview on DriveThruRPG.com](#)

News: Rifts® BundleofHolding.com – PDF Bundle – Special Offer

Palladium Books joins with BundleofHolding.com for our first ever PDF Bundle! <http://bundleofholding.com/presents/Rifts>

We were approached a while back by *Allen Varney* of BundleofHolding.com about doing a sale on a collection of our PDFs, to which we gave an enthusiastic, yes! For those of you who don't know, **Bundle of Holding**

has been hosting sales on collections of RPG PDFs since February of 2013. Two of the great things about these sales are:

One, they give gamers a chance to try out a new game or build their existing e-library by getting the core book and several supporting volumes at a *bargain price*.

Two, 10% of every purchase goes toward charity! That's right, you can get PDFs of Rifts® products at a discount and help other people all at the same time. In the past, **Bundle of Holding** has supported such

diverse groups as the *Electronic Frontier Foundation, Human Rights Watch, Heifer International, Ocean Conservancy,*
and
Reading is Fundamental

For our first bundle, we have chosen to support *Doctors Without Borders* (<http://www.doctorswithoutborders.org/>)

). They provide desperately needed medical services to people affected by poverty, war and disasters all over the world.

There are two tiers to this Rifts® PDF Bundle. The Starter Collection gets you: **Rifts® Ultimate Edition™, Rifts® Sourcebook One™ and the Rifts® Game Master Kit.**

The second tier, called the “Bonus Collection,” gets you everything in the Starter Collection plus PDFs of: **Rifts® World Book 10: Juicer Uprising™, World Book 12: Psyscape™, World Book 14: New West™**, and **Rifts® MercTown™.**

The Rifts Bundle will END on August 7, 2017 at 10 PM Eastern time – don’t miss out on this limited time offer! The PDF bundles are hosted through OneBookShelf, DriveThruRPG’s parent company, and your PDF bundle items are added directly into your DriveThruRPG library.

What? You don't have a DriveThruRPG account yet? No worries, they are FREE and very easy to set up.

News: Spreading the Megaverse® across the web

Our presence on social media continues to expand. If you are a podcaster, YouTube content creator, Twitch streamer, or other social media creator who would like to show your support for Palladium Books' games, please contact us at socialmedia@palladiumbooks.com. We'd love to hear from you and explore ways we can work together to expand our outreach to all our wonderful fans!

Have you checked out Palladium's Facebook and Twitter accounts lately? If not, you should! We are posting several times a week to each. We're also answering questions and highlighting fan and partnered content providers like PSY LP and Questwise.

I hope you are excited about all we've been doing and the plans we have for the future, because we sure are! – *Scott Gibbons*

UPDATE: Robotech® RPG Tactics™ Information Consolidation

Since Scott Gibbons has taken over communications for **Robotech® RPG Tactics Wave 2** and he has instituted a bi-weekly update on the Kickstarter page, he has requested that we consolidate the way we get information to the RRT backers. We'll be doing that mainly on the Kickstarter page, and post about RRT and Wave 2 here when we feel it is appropriate, such as letting you know when manufacturing has begun, new product releases, upcoming game events involving RRT (there are several at Gen Con), tournaments, organized play, etc.

UPDATE: Palladium Open House – April 19-22, 2018

We will try to get all the basic information about the **2018 Palladium Open House (POH)** posted for you by the end of next week. I have gotten calls from a number of fans and friends who are very excited about the event, so I know a lot of you are champing at the bit for details and the opportunity to get your tickets reserved.

Hotel info for 2018 Palladium Open House: I hope to have the hotel information by the end of next week as well. For a variety of reasons, we will not be using the hotel we have used in the past. This will probably require us to have two hotels. Fear not, the good news is that the price of the rooms should be lower, and both will be roughly the same distance to the Palladium office and warehouse. We are currently speaking to four nearby hotels. One of the two hotels is almost certain to be a

Red Roof Inn

with a group rate of

\$49.99

plus tax per night. I'll have more details on both hotel choices in a week or two.

WANTED: Palladium Open House Game Masters and Volunteers

Want to help out with the Open House by running one or more games? Help set up beforehand? Help take down and clean afterwards? Please let us know by sending Scott an email: gm-palladium@palladiumbooks.com

Scott has already been contacted by a number of people about volunteering to run games, help set up before the Open House or tear down afterwards. (Thank you.) But we will need more, especially for running Palladium games. (Only Palladium's games, please.) We need to know who wants to run what so we can put together an event schedule over the next few months.

UPDATE: Nightbane® Dark Designs™ sourcebook – August

We are in final edits and tweaking of [Nightbane®
Dark Designs](#)

™. Artwork is done. On track for an August release. In fact, we hope to have advance copies at Gen Con. (Hot off the press a day before we leave!)

Dark Designs

™ is all about the Nightbane and the creation of their Morphus, appearance, and transformation into it, as well as new Minor and Major Talents, the Ancient Nightbane (statted at last) and more. See the full description elsewhere in this Update.

NEW! Rifts® Living Nowhere™ – A Rifts® Sourcebook set in the Pecos Empire – August

The writer turned in his final draft for [Rifts®
Living Nowhere](#)

™ adventure sourcebook last week. As soon as

we are done with

Nightbane® Dark Designs

™ we dive into this bad boy. Looking like a September release. See the complete description elsewhere in this Update.

UPDATE: Rifts® Sovietski™ – in production

Spoke with John Zeleznik who tells me the cover is almost finished. So is most of the artwork. Probably an October release. [Sovietski](#)

is a nice resource to go along with the two Triax/NGR™ titles and Mindwerks™.

UPDATE: Rifts® CS Arsenal™, The Disavowed

™

, RRT

TM

, Garden of the Gods

TM

and other titles

All continue to move forward and remain in the pipeline. More on them in the future. Right now we are focused on more immediate releases, RRT Wave Two, and Gen Con.

Rifts® The Disavowed – A Secrets of the Coalition

States

TM

Sourcebook

“Desperate
times require

desperate
measures. War
has nothing to
do with
morality or
justice. It's all
about winning

or dying. We
cannot bind
our hands with
high ideals,
even our own,
or worry about
the laws of

renegade
nations or the
rights of alien
people. We
must fight fire
with fire. And
you are the

match.” –
Colonel Lyboc
addressing a
Disavowed
team.

The
Disavowed are
so Top Secret
that their
existence is
known only to
a handful of

the Coalition
States' most
elite, top
echelon, with J
oseph Prosek
II
the

mastermind
behind the
Disavowed
operation, and
Colonel Lyboc
its shadowy
face. Find out

who these men
and women
are. How the
Disavowed get
away with
using magic,
traveling to

other parts of
Rifts Earth and
even to other
dimensions in
pursuit of
enemies and
strategic

information
that cannot be
had through
conventional
means. Learn
about the
secret

parameters in
which these
hard-boiled
warriors,
secretly
hand-picked by
Joseph Prosek

II, operate, why
almost every
mission is
considered a
suicide
mission, and
why they must

forever be the
Disavowed.

- CS

operatives so
secret that

even the top
military and
political
leaders right
up to Emperor
Prosek kn
ow nothing

about them
. And if they
did know,
would they
condone their
activity or
condemn it?

- Are the
Disavowed
heroes or
renegades?
Assassins or
soldiers?

Madmen or
super-patriots?
Or a little of
them all?
- Unsung
heroes who
keep the CS

safe, or thugs
and pawns of a
shadow
agency within
the Coalition
government?

- What role
does the
Vanguard play
in this group?

- How do
they reward

their D-Bee
“teammates”
when the
mission is
over?

- What
happens to the

Disavowed
when they
have seen or
learned too
much?

Adventure
ideas galore

and so much
more.
